SUPPLEMENTAL RESPONSE TO FINAL OFFICIAL ACTION

Sir:

Responsive to the Official Action having a mailed date of December 12, 2007, Applicant hereby makes the following supplemental arguments and remarks. Previously accompanying this response was a petition for extension of time, with the appropriate fee, to extend the period for response to May 12, 2008, in which the initial Response to the Final Action was timely filed.

Subsequent to the initial response, the Examiner for this case contacted the undersigned May 22, 2008, requesting clarification to language in the claims, and on May 27, 2008, requesting a Terminal Disclaimer to place the case in condition for allowance.

Accordingly, Applicant hereby submits this supplemental response placing the application in condition for allowance, and respectfully requests entry of the claims. See 37 CFR 1.116; MPEP § 714.12 at p.700-182:

Amendment to the Specification – N/A.

Amendment to the Claims begins on page 2 of this paper.

Amendment to the Drawings – N/A.

Remarks begin on page 10 of this paper.
